

## **COVID19 Coronavirus Disease Statement - March 12, 2020**

The Perquimans County Board of Commissioners are continuing to monitor the COVID19 Coronavirus Disease and want to encourage the community to adhere to the general prevention recommendations that have been provided by the Albemarle Regional Health Services (ARHS). We will continue to partner with ARHS and share guidance as it is made available. For the latest information and preparedness guidelines, please visit the Albemarle Regional Health Services website at <http://www.arhs-nc.org>.
